

Why Energy Savings as a Service is the Smart Choice to Achieve Cost-Effective Energy Efficiency

Onsite Utility Services is the leading energy solution platform in the market today - 100% focused on helping companies achieve their energy efficiency goals.

Unlock the True Potential of Energy Efficiency	A Unified Solution for the Most Common EE Challenges	No Debt, No Investments: Just Savings
<p>Pay less while upgrading lighting, HVAC, water, solar, and more.</p> <p>Hedge against utility price and equipment budget surprises.</p> <p>Increase building value, while improving productivity and comfort.</p>	<p>Not in the budget? Funding for \$30K - \$10M per project</p> <p>Competing project priorities? Solved. DO MORE with LESS.</p> <p>Too busy? OUS is a complete and guaranteed solution.</p>	<p>Pay nothing out-of-pocket and save from day one (zero debt).</p> <p>ESaaS preserves capital for your care needs (unlike bank debt).</p> <p>Guaranteed performance and maintenance at no cost to you.</p>

Ideal solution for hotels, commercial real estate portfolios, industrial, healthcare, schools, municipal buildings, multi-site facilities, restaurants, grocery stores, and other energy-intensive buildings.

HOW IT WORKS

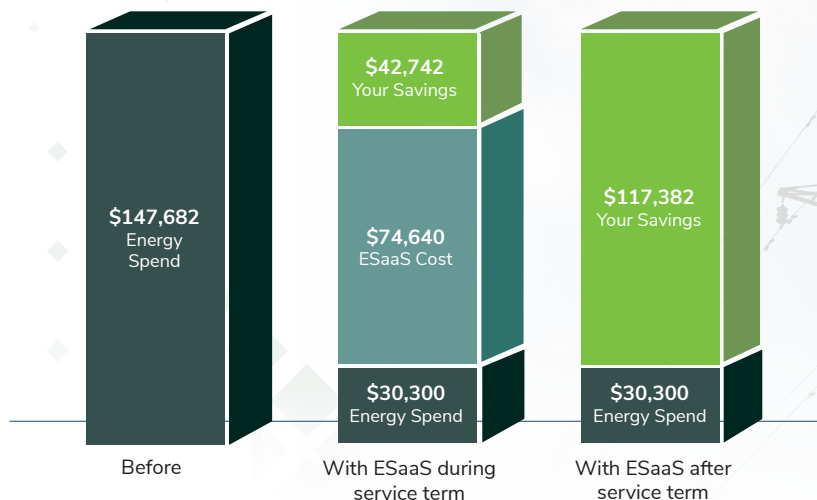

We custom engineer a design of optimal energy efficiency solutions.

We purchase and install quality energy saving equipment while giving you a share of the savings.

We guarantee performance and resolve issues at no cost to you for the entire term (typically 3-10 years).

At the end of the term, you keep the equipment and 100% of the savings.

Example of an Onsite ESaaS project Before and After

MARKET LEADERSHIP
